CC Docket No. 96-45; DA 05-1544
Ex Parte Filing

Dear Commission's Secretary:

On October 19, 2005, Paul J. Jones, counsel for Adak Eagle Enterprises, LLC ("AEE"), had a very brief phone conversation with Gary Seigel of the Federal Communications Commission's ("FCC") Telecommunications Access Policy Division, Wireline Competition Bureau. Mr. Jones advised Mr. Seigel that the statement "AEE's projected annual high cost support for 2005 is \$499,865" at page 9 of the above-referenced petition refers to AEE's projected high cost loop support only. The stated amount does not include estimated support levels for local switching support and interstate common line support. Given the brevity of the conversation, the above description fully conveys the substance of the *ex parte* presentation.

This letter constitutes the memorandum required by 47 C.F.R. § 1.1206(b)(2). Please contact me with any questions regarding this matter.

Sincerely yours,

KEMPPPEL, HUFFMAN AND ELLIS, P.C.
